Be Still
AND KNOW THAT
I AM GOD
-Psalms 46:10

-Mother Teresa, cited in the "Power of Prayer" (New York: MJF Books, 1998, 3-7-8)

"I Shall Keep the Silence of My Heart"

I don't think there is anyone who needs God's help and grace as much as I do. Sometimes I feel so helpless and so weak. I think this is why God uses me. Because I cannot depend on my own strength, I rely on him twenty-four hours a day. All of us must cling to God through prayer. My secret is simple: I pray. Through prayer I become one in love with Christ. I realize that praying to him is loving him.

We cannot find God in noise or agitation. Nature: trees, flowers and grass grow in silence. The stars, the moon, and the sun move in silence. What is essential is not what we say but what God tells others through us. In silence He listens to us; in silence He speaks to our souls. In silence we are granted the privilege of listening to his voice.

Silence of our eyes.

Silence of our ears.

Silence of our minds.

...In the silence of the heart God will speak.

Did You Know?

While serving Easter Mass at the von Trapp home, Fr. Franz Wasner was overwhelmed by the musical talents of the von Trapp children. In 1938, Fr. Wasner fled from Austria to Italy with the von Trapp Family (as depicted in the musical "The Sound of Music") and later toured with the family throughout the United States and Europe as their director and conductor. Fr. Wasner died June 21, 1992, in Salzburg, Austria.

In 1979, Pope John Paul II named St. Frances of Assisi as patron saint of ecology, calling him "an example of genuine and deep respect for the integrity of creation". St Francis is credited with creating the first Nativity Scene in the year 1223.
